

## New National Curriculum Mathematics: Target Book 3

This book is specially written for Foundation GCSE pupils. Each chapter uses simple language and small steps and caters for a wide range of teaching and learning styles. Support for homework, and Homework/Review exercises are clearly flagged throughout. Regular chapter reviews, consolidation exercises and National Curriculum Test-style questions aid understanding and prepare pupils for the Key Stage 3 Test. Practical work and structured investigations in contexts add to the excellent support for Foundation pupils.
