

## Sex Orgy: [Swinging, Multi-Partner] (Sex Games Book 3)

Book Three of popular Sex Game Series. After enduring a sexual try out of sorts, Paul and Ellen are invited to a grand sex orgy at George and Cynthia Skylars Mansion EXCERPT There's something different about you lately, Ellen, State Assemblyman Peter Norbert offered candidly, sipping at his cocktail, his eyes on Ellen from across the small table at Chez Henri. Oh, and what might that be, Pete? she asked, favoring him with a small grin. She'd known the assemblyman ever since she'd graduated from college and become an aide in the state assembly, which seven years ago had, in turn, provided an entrée to The Initiative as a junior staffer. He was one of her organization's more powerful allies in the assembly and she considered him a personal friend as well. They had lunch together at least once a month to discuss up-coming bills that might effect changes in water distribution within the state. I've known you forever, El. Can I be candid? Ellen took a sip of her white wine. What was this all about, she wondered? But in the end, she simply said, Sure. All of a sudden, you're sexy as hell, the middle-aged politician pronounced, a sly grin on his face. I can't for the life of me figure out what's different about you, but something definitely is. Ellen felt her face color slightly, but the fancy French restaurant featured a stylishly dark ambiance, so she doubted that Pete could see her blush. She took another small sip of wine and asked coquettishly, Why, Peter, whatever do you mean? I don't know how to explain it, he began, still smiling, you look the same as you always have. You're a gorgeous woman, but then you've always been a gorgeous woman. He picked up his cocktail and still studying her, took a drink. You dress beautifully, as always. That suit and blouse you have on is perfectly well coordinated and business-like, not flashy at all and yet you seem to just sort of radiate sex appeal nowadays. Help me out

herewhats changed about you? I know exactly whats different about the new Ellen Markley, as opposed to the old Ellen Markley, Ellen thought, but I can hardly tell Pete about it. How would he react if I answered him truthfully, with something like, Oh, yes, its my new hobby thats made all the difference. I love to get naked with a bunch of perfect strangers on the weekends, now and suck c\*\*k, eat pu\*\*y, and get f\*\*ked over and over again!
