

## My Wife, My Black Boss and the Office Party: (MMFF Interracial Group) (The Ganging of a Hotwife Book 4)

She was the gorgeous, innocent love of his life - and he was willing to use her to get that promotion... Robert wanted that promotion. The increase in salary would be a game changer for him and his lovely wife. But he knew he wasn't the first in line for the job, his boss had made it a point to tell him that. In order to get it he would need to really go the extra mile... Vicki was Roberts wife. Beautiful and naive, she would do anything her husband asked of her. When Roberts boss sees her at the office holiday party he offers Robert the promotion. But the offer has a few strings attached... Is Robert really willing to use his innocent wife to get that promotion? And what is the boss's secretary doing in the room?
