

THE HYPNOTIST: A erotic suspense romance and drama mystery thriller

The lovely brunette was using the assumed name of Sierra Brooks and had just arrived in Miami, Florida and she wasn't ready for a new adventure. Controlling men was her gift and her skill, but a casual encounter started the sexual mystery and then she was wondering who was under whose spell. Jacob Lauder played the same games that she did, but then he was in her head and in her bed, and his sneaky ways kept taking her deeper and deeper. A lovely blonde named Kay Watson first took her in, and then Jacob Lauder was taking them both where they might not be able to get back from. The charismatic devil was hypnotizing. He thought that a mind and a lovely body was a terrible thing to waste. When the handcuffs went on all bets were off and then the real hypnotism show started. Naked ambition soon changed into mind games as the brunette beauty named Sierra Brooks learned how to let herself go and try to hold on. When he was in her head could she keep her secrets safe? Somehow she was his to command.
