

## Found On My Journey (An Interracial BW/WM Alpha Male Erotic Romance)

Victoria is on a liberating journey to do away with the restrictions and inhibitions of the world. She left a job as a successful stockbroker, much to the delight of her hateful witch of a boss, who had contempt for Victoria's youth and beauty since day one. Since her bank account is flooded with money, Victoria has nothing to lose by starting fresh. Though the consummate city girl who hasn't been fishing since she was 8, Victoria buys some gear, straps on her hiking boots and hits the trail, determined to clear her head and find herself in the process. While on that path, she meets a man with a background so similar, that there's no way this was coincidence. She's at a crossroads between continuing her journey solo, or making a detour, by letting this man into her heart. Did fate send her a lesson to learn during the journey, or does her path to finding herself go through this handsome stranger?
